Swati Jain · 1st

Senior Product Owner at Booking.com

September 11, 2020, Swati worked with Kaushik on the same team

Kaushik has a fantastic depth of what he does, which is a real asset of his. He had done a fantastic job asset managing the Spanish portfolio at GS.

Using his functional knowledge, he was able to identify core gaps in the process, and then work by remediating them with his problem solving and technical skills.

He loves being thrown a challenge and works his hardest towards...

January 26, 2015, Harsh managed Kaushik directly
Kaushik is extremely talented, Hard -working and always inquisitive about new techniques and methods of construction. He adapted well to a professional setup and became an integral member of the project team. He also showed good initiatives to undertake research inquiries independently. Overall he proved to be a good asset to the firm. We wish him all the very best in all his future endeavors.
